RE: *Federal Register* notice of November 23, 2011, for the Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks, FFIEC 002; and the Report of Assets and Liabilities of a Non-U.S. Branch that Is Managed or Controlled by a U.S. Branch or Agency of a Foreign (Non-U.S.) Bank FFIEC 002S (OMB Control Number: 7100-0032)

Dear Ms. Johnson:

The Bureau of Economic Analysis (BEA) strongly supports the continued collection of data on the FFIEC 002 and the related supplemental report FFIEC 002S. The data collected on these forms are crucial to key components of BEA's economic statistics.

BEA supports the collection of new detail on loan originations on the new Schedule U of the FFIEC 002. This new data collection adds to the analytical value of the FFIEC 002 for BEA. BEA uses information derived from the FFIEC 002, specifically, data presented in the Federal Reserve System's report *Assets and Liabilities of Commercial Banks in the United States* to analyze the effect of quarterly banking developments on the U.S. International Transactions Accounts (ITA Table 1 lines 54 and 69). Our use of the FFIEC 002 is not affected by the other proposed changes.

BEA also uses information from the Report of Assets and Liabilities of a Non-U.S. Branch that is Managed or Controlled by a U.S. Branch or Agency of a Foreign (Non-U.S.) Bank (FFIEC 002S) directly in the U.S. International Transactions Accounts. The FFIEC 002S is a unique data source that provides a large portion of our statistical coverage of U.S. external claims and liabilities of nonbanking concerns vis-à-vis Caribbean financial centers (ITA Table 1 lines 53 and 68). The FFIEC 002S also provides crucial early information for our preliminary estimates of these accounts. A list of specific items that are used is attached.

Please keep BEA informed about and modifications to these forms. We are particularly interested in any modifications proposed during the forms' approval process that would substantially affect our use of these data. For additional information, please contact Ruth Bramblett, Source Data Coordinator, on (202) 606-9653 or by e-mail at [Ruth.Bramblett@bea.gov](mailto:Ruth.Bramblett@bea.gov). Should you need assistance in justifying this survey to the Office of Management and Budget, please do not hesitate to contact BEA.

Sincerely,  
/s/

Dennis J. Fixler  
Chief Statistician
